No. 2814 Of 1910.

Dharwar, 20th April 1910.

From

C. W. A. Turner, Esquire, I.C.S.

Collector & Political Agent,

Dharwar.

To

The Commissioner, Southern Division.

Sir,

I have the honour to forward for inspection a plan of certain buildings in Gavanur Town.

2. The site coloured red has on it 4 rooms & is state property. The Divan proposes that the rooms together with the site should be handed over free of charge to the Gavanur Municipality for building a Municipal office which is badly needed. -- he adds that the interests of the Municipality are not different from those of the State.

3. The only conditions to be imposed on the Municipality are

(1) that the office building to be erected on the site should be of the same height as the adjoining schools &

(2) that the roof is tiled with Mangalore tiles.

The Divan suggests that the wood used may be of any kind. I would advise teak only.

4. At present these 4 rooms make an ugly gap in the public buildings in the centre of the town. If the site be given to the Municipality and an office be built as suggested it would undoubtedly be a great improvement.

5. I believe that a free transfer of state land to the Municipality requires your sanction which I have accordingly the honour to ask.

I have &c.

Savanur 10/9/14.

Sir,

I beg to forward an extract from the Proceedings of the managing Committee held on 31st ultimo, submitted for the chairman with his letter dated the 2nd inst, & to observe as follows:—

2. From the tenor of the report it seems the honorary Secretary is of little help to the Secretary & that the Secretary is hampered in his legitimate work, owing to the want of another literate hand. The M: Committee proposes to entertain a temporary Karkun on Rs (10) for (6) months. During the 1st quarter of this year a temporary Karkun was working in the office. Hence there seems to be the necessity of entertaining an additional hand on Rs (10) practically throughout the year. The Sanitary Inspr is the only somewhat literate hand in the office establishment, who cannot be of much help.

help. to the Secretary. Under these circumstances I beg to propose the following:-

(a) A peon who can read & write may be entertained & the services of the present peon who is illiterate & old, & who has been paid a gratuity for past services, may be dispensed with.

(b) The Mukadam, who practically does nothing may be taken on in the Dewans Office & the post may either be ~~dispensed with~~ abolished or a mahar may be entertained who will work with the other mahars half a day & will supervise their work the other ~~half a day~~ time, or will work immediately under the orders of the Sanitary Inspr.

(c) - The naistry (Mr. Mahamedkhan) under the overseer, may be ordered to do duties in the municipal office, as naistry & Karkoon on Rs 15(10) & his post (Rs 15) in the P.W.D. may be filled up thereafter.

3 The Resolutions passed by the Managing Committee as regards other matters may generally be approved

The accompanying report of the Sanitary Inspector shows that he does not know whether the lamp posts were originally removed from the Bungalow before or after it was handed over to Mr. Abdul Rahmankhan, that no body objected to their being removed then although the Mali Khadarsahib was present there. & that the lamp posts belong to the State. From the note dated 15th ultimo from Mr. Abdul Rahmankhan which is in the correspondence it will be seen that he is not willing to part with the lamp posts because they were in the compound of the Bungalow when it was given into his possession.

Under the circumstances reported the Posts are not fit to be removed.

D.C.S.O.,

I had a memo from Gen Hele that the Camp Police should be handed over to the Sanitary Inspector. The camp police belong to me. They were in my compound when the bandy was brought. What rights had the sanitary inspector to move these camp police to some other place when the bandy was already

sold to me. I am not going to hand over the [illegible] parts when they belong to me. No one has any right to remove any article when the lump is sold already. I can't keep as I am as well.

Yours sincerely

ಆದರೆ ಅಪರೂಪಕ್ಕೆ ಒಮ್ಮೊಮ್ಮೆ ಸೂರ್ಯ ಮತ್ತು ಚಂದ್ರರ ನಡುವೆ ಭೂಮಿಯು ಬರುವುದಿಲ್ಲ. ಆಗ ಚಂದ್ರನ ಮೇಲೆ ಸೂರ್ಯನ ಬೆಳಕು ಬೀಳುತ್ತದೆ. ಆದರೆ ಚಂದ್ರನು ಕಾಣಿಸುವುದಿಲ್ಲ. ಏಕೆಂದರೆ ಚಂದ್ರನ ಮೇಲೆ ಬೀಳುವ ಸೂರ್ಯನ ಬೆಳಕು ಭೂಮಿಯ ಕಡೆಗೆ ಪ್ರತಿಫಲಿಸುವುದಿಲ್ಲ. ಇದನ್ನೇ ಅಮಾವಾಸ್ಯೆ ಎಂದು ಕರೆಯುತ್ತೇವೆ.

No 91 of 1915. Received

Huzur office. Savanur.
3rd May 1915.

Memo.

The Diwan of Savanur is informed that the orders for collecting municipal taxes from the Khanjadas of Savanur & the Local Fund cess from them & the Inamdars are passed after due consideration, after going through the old State records. They are in no way inconsistent either with the orders passed by the Political Agents or with the mutual agreements entered into by the Khanjadas & Nawabsahéb.

2) In the recent interview with Mr J.A.C. Wales, Political Agent in Dharwar the old records & orders of 1871 on which the orders for the collection of municipal Tax from the Khanjadas are based, were shown to him. He clearly expressed that he would in no way interfere with the internal

affairs of the State.

3) The undersigned is not, for reasons given in para 1 above, inclined to consider the application made by some of the Khanjadas to the Political Agent and forwarded by him to the State.

4) The Khanjadas may be given to understand that the orders once passed need no consideration & that they should pay the tax & cess due by them.

5) If any of them is poor enough ~~as~~ not to pay the municipal Tax he can apply to the proper municipal authorities for the consideration of his case. Such applications will be considered & disposed of properly & in due course.

6) Proper steps may, therefore, be taken by the Diwan to collect the dues without further delay.

The municipality may be informed of the orders.
